① Design Snakes & Ladders

→ Overview

→ Requirements

Current scope →

- ① Board size $\rightarrow 1-100$
 $1-N$
 - ② Multiple players $\rightarrow > 2$
 - ③ Only human player
 - ④ Dice - 1 on Maximum
 - ⑤ 1 Dice / multiple dices
 $3+4 \Rightarrow 7$
 - ⑥ Snake & Ladder
 \rightarrow Random
 \rightarrow Use
- 

→ E.g Snakes
+ Ladder.

⑦ A Player wins by
reaching the last cell
— piece

⑧ A player can have
multiple pieces

⑨ 1st — All the pieces

(10)

N | If $n-1$ players
are done, game ends

(11)
